What! No Coffee?

Oh dear, we have a problem. It's great to have a cup of tea or coffee after the services but this will only be able to happen once a month unless we get some more people willing to go on the rota to serve drinks.

If you can help please talk to Annmarie or one of the **Deacons** as soon as possible so we can keep this going.

Happy Birthday

Happy Birthday to **April McLean on Friday**

Roger is now busy writing assignments again to meet his college course deadlines, so please be mindful of his need for extra time to spend on these, and speak to a deacon rather than disturb him. Please keep him in your prayers. Thank you ☺

Prayer

Please let Annmarie, Alma, or Lynne know your prayer requests so the Wednesday prayer group can pray for you.

- ✚ Please pray for **Papua New Guinea** following a big earthquake in March followed by a lot of aftershocks and then another big earthquake last week. MAF are involved in trying to get relief to the people but their work is being hampered by the fact that some of the grass runways now have large cracks in them. Many are homeless and those not able to walk out of the damaged villages have been left behind without any help.
- ✚ Pray for **Gurnetta** as she recovers from an operation on her feet.
- ✚ Pray for **Marie** as she recovers from her cataract operation.
- ✚ Continue to pray for **Doreen** as she settles into her new home.
- ✚ **Roger & Sarah** – Keep them in your daily prayers – for protection, for wisdom, for strength, and for knowledge of God's Word for them. Especially at this time when they are both tired from the busyness of church life.

A Changed Heart ~

By [Deborah Ann](#)

Change my heart Lord,
till it reflects only You
till all I can see
is Your image inside me.

Change the way it beats,
till it throbs after You
till its keeps pace
with Your love and grace.

Change my heart Lord,
till it keeps time with Yours
till with Yours it's in rhythm
pulsating with Your wisdom.

Change the way it flutters,
till it adapts to You
till it can adjust
so it may always trust.

Change my heart Lord,
till with Yours its fine tuned
till it is conformed . . .
so I can be transformed!
